

## **Property Damage Policy**

All members are expected to respect and take care of the club's and facility's property as well as the property of others.

In the case of a swimmer causing damage, whether accidental or intended, to your swimmer's property

- Report incident to the Coach immediately including details of when and how the damage occurred and who was involved
- If required, communicate with the parents of other swimmers to arrange a financial agreement
- Serious damage should be reported to the police

Please note that there is no property insurance provided within the Swim England members benefits.
